Dear Parents and Families,

We would like to let you know about our services to help you celebrate special occasions for your loved one here at Southern Adventist University. Maybe you want to say "Happy Birthday," "Congratulations," "Get Well," "We are proud of you," "Hang in there," "We are thinking of you," or just "Hello." Let the Village Market help send your "little touch of home."

Village Market delivers to all locations on campus *except* Southern Village apartments. This includes campus residences, offices and the Greater Collegedale School System (elementary, middle & academy school buildings). Gifts will be left at the appropriate front desk and recipients will be notified by the attendant. Southern Village recipients can pick up their gifts at the Customer Service Desk at Village Market.

We will be happy to take your orders by phone, fax, mail, or email at villagemarket@southern.edu. You can pay with your personal check, VISA, MasterCard or Discover credit card. Please check out our web site at www.villagemarketcollegedale.com
